JAMAICA STOOL

El famoso diseño de Pepe Cortés se comercializa desde el año 1991 y se ha ganado un merecido lugar en la historia del diseño español. Por la belleza de las formas escultóricas de su asiento; porque es ergonómico y realmente confortable; por la nobleza y la durabilidad de los materiales con que está fabricado; y por su versatilidad tanto en el mercado de hogar como en el contract.

Pepe Cortés' famous design has been marketed since 1991 and has received a well deserved position in the history of Spanish design. The seats beauty lies in sculptural ergonomic forms in natural and enduring materials, making it really comfortable. It's versatile for both home and contract.
